

LA GRANGE ELEMENTARY SCHOOL

Achieve, Believe, Celebrate

Re: **EARLY RELEASE DATES AGREEMENT**

Dear Parent/Guardian:

Please be aware Oldham County **elementary schools begin at 7:50am**. Students need to be in their classrooms at that time or they will be marked tardy.

Additionally, to support the District's instructional focus on the individual learning needs of all students, the Oldham County Board of Education approved six early release dates to accommodate teachers' collaboration in Professional Learning Committees. On these six designated days elementary students will be released to go home after lunch at 12:25pm.

We understand these six early release days may cause an inconvenience to some families. In order to minimize the amount of inconvenience, La Grange Elementary will provide care for students already registered in Leopard Spot immediately after school is dismissed on the six early release days at no additional charge. Children who are not in the after school program may participate in the program during any or all of the six early release days for a reasonable fee. Children not enrolled in Leopard Spot Daycare will be released to go home at 12:25pm. Please be sure your daycare arrangements for these days are made early.

Please mark your calendar with the six early release days as listed below.

August 24, 2011

September 28, 2011

November 2, 2011

January 25, 2012

February 22, 2012

March 21, 2012

I have read and understand that I am responsible for transporting my child(ren) home on the six early release dates listed above if they are not transported at 12:25pm dismissal.

Parent/Guardian
